Case No. 2:15-cv-1791-RCJ-VCF Plaintiff,

# **ORDER**

MOTION TO COMPEL INDEPENDENT MEDICAL EXAMINATION (DOC. #69)

This matter involves Plaintiff Katie F. Wilson's civil action against Defendant Wal-Mart Stores, Inc. Before the court are Wal-Mart's motion to compel Wilson's independent medical examination (Doc. #69), Wilson's response (Doc. #74), and Wal-Mart's reply (Doc. #75). A hearing was held on March 11, 2016 at 4:30 p.m. The parties also filed a joint status report setting out a schedule for conducting outstanding discovery (Doc. #79). For the reasons stated below, Wal-Mart's motion to compel is granted.

## I. Legal Standard

"The court where the action is pending may order a party whose mental or physical condition ... is in controversy to submit to a physical or mental examination by a suitably licensed or certified examiner." FED. R. CIV. P. 35(a)(1). "The order ... must specify the time, place, manner, conditions, and scope of the examination, as well as the person or persons who will perform it." FED. R. CIV. P. 35(a)(2).

Wilson objected to the joint status report on the grounds that it contains a footnote, declaration, and exhibit for which she did not give her consent. (Doc. #81). The contested footnote, declaration, and exhibit are not material to the proposed discovery schedule, but Wilson's objection is noted for the record.

#### **II. Discussion**

The parties present one issue: (1) what is the proper scope of Wilson's independent medical examination (hereafter "IME").

# 1. Wilson's IME Will Go Forward Subject to the Following Limitations

As an initial matter, Wilson does not dispute that an independent medical examination of her physical condition is a necessary part of discovery. (Doc. #74 at 3). The parties do dispute the proper scope and conditions of Wilson's IME; specifically items numbers one, six, seven, and eight on the parties' stipulation regarding defendant medical examination. (Doc. #75-3 at 4). The court resolves these disputes as follows:

- Wilson's IME is limited to two (2) hours. Dr. Steve McIntire will have no more than ten
   (10) additional minutes to conclude any examination he may be conducting at the two-hour mark.
- 6. If Dr. McIntire requires Wilson to complete forms before he conducts her IME, Wal-Mart will deliver such forms to Wilson's counsel on or before March 25, 2016. Wilson will bring the completed forms to her IME.
- 7. Dr. McIntire may not inquire about the death of Wilson's sister. The parties acknowledge that Wilson's mental condition is not the subject of Dr. McIntire's IME.

  The prohibition against questions about the death of Wilson's sister applies only to Dr.

  McIntire's examination and is not a determination on the relevance of the death of Wilson's sister in this action.
- 8. Dr. McIntire may ask questions related to either parties' potential liability. The parties acknowledge that any question bearing on the issue of liability is incidental to Dr.

Dr. McIntire's examination.

McIntire's examination. Wilson may challenge the admissibility in to evidence of any statement made during Dr. McIntire's examination.

ACCORDINGLY, and for good cause shown,

IT IS HEREBY ORDERED Wal-Mart's Motion to Compel (Doc. #69) is GRANTED.
